ILLIT FORSIKRINGIT AGENCY A/S

Is an insurance agency based on a collaboration agreement with Codan A/S and are responsible for sales and services for all Codan's customers in Greenland.

Codan has been in the Greenlandic market for more than 35 years, and we have been in Greenland since 1998, so we are familiar with the market, customers and special conditions in Greenland.

Brief description of competencies and services

- Insurance of both marine and non marine activities in Greenland
- In depth knowledge of Greenland via local network
- Insurance services for both the supply and mining sectors
- Part of the international network of RSA, UK

“WHAT WE DO”

- We primarily work with insurance solutions for the Greenlandic business community, but can also cover the employees' private insurance needs
- Is a supplier to subcontractors and players in the mining and oil industry.
- Represents Codan Marine, which is the largest marine insurance company in the Nordic region.

“WE DO IT OUR WAY”

- **ASK FOR YOUR NEEDS**
- **MAKE INDIVIDUAL SOLUTIONS**
- **SEEK TO PROVIDE THE BEST SERVICE**

Illit Forsikringit is a professional supplier of insurance solutions to national and international customers.

We provide cover for property, liability, workmen’s compensations, cargo/marine, pension plans or whatever you may need.
