

NALIK

VENTURES

*Your business opportunity in
Greenland through financing*

www.nalik.gl

A woman with glasses and a yellow cardigan is smiling in an office setting. In the background, there is a window with two potted plants and a desk with a water bottle. The overall scene is bright and professional.

Nalik Ventures offers financing in growth companies, start-ups, new projects with well founded business plan, and promising prospect.

Nalik Ventures has financed various types of industries
