# Maritime Service Center

Wide range of professional contractors and workshops to service and support any operation in Greenland.

We encourage you to find local providers and business partners to support your operations.

Nuuk is an  
ice-free arctic port  
that allows  
year-round  
operations

**SIKUKI**  
NUUK HARBOUR A/S

The Port of Nuuk is a modern  
sea-port in the growing Capital  
Strategically well-placed on the  
West Coast of Greenland

*A hub for all shipping  
in and out of Greenland*
