WHY CHOOSE VR TRAVEL?

Independent travel partner

VR Travel is an independent travel company, free of any supplier agreements. This means that we work 100% in the interests of our customers and offer the market's best prices. We are free to select and offer the travel arrangements that best fit your needs.

Various forms of cooperation

VR Travel offers solutions tailored to the needs of your company. According to your wishes, VR Travel can offer full logistical administration of your business travel, or we can provide a solution where you choose the flights, hotels or car rentals, after which you can draw on VR Travel's expertise in creatively obtaining the best possible airfare.

Transparency and honest prices

At VR Travel there are no hidden charges. We only receive payment of the agreed fees for our advice and document administration. When comparing VR Travel's fees with those of other travel agencies, you should note that some travel agencies hide all or part of their fees in the airfare itself, which might make our fees seem higher. Therefore, make sure to compare the total prices if you request offers from more than one travel agency.

HVORFOR VÆLGE VR TRAVEL?

Uafhængig rejsepartner

VR Travel er et uvildigt og uafhængigt rejseselskab, og er ikke bundet op af faste leverandøraftaler. Det betyder, at vi arbejder 100 % på vores kunders præmisser og kan tilbyde markedets bedste priser. Vi kan frit vælge og tilbyde dig den rejse, der passer til netop dit behov.

Forskellige løsningsmuligheder for samarbejde

VR Travel tilbyder løsninger, som er tilpasset dit firmas behov. Alt efter dit ønske kan VR Travel tilbyde en fuld logistisk håndtering af dine erhvervsrejser, eller tilbyde dig en løsning, hvor du selv står for reservation af de ønskede strækninger, hoteller samt billejer, hvorefter du så kan tilkøbe VR Travels ekspertise på kreativiteten i at få flybilletterne til den mest optimale pris.

Gennemsigtighed og ærlige priser

Hos VR Travel får du reelle priser. Vi tager kun de honorarer, som vi har aftalt for vor rådgivning og dokumenthåndtering. Sammenligner du VR Travels honorarer med andre rejsebureauers, skal du være opmærksom på, at nogle rejsebureauer vælger at skjule hele eller dele af deres honorar i selve flybilletprisen, hvorfor VR Travels honorar i visse tilfælde umiddelbart synes at være højere. Sammenlign derfor totalpriserne, hvis du indhenter flere tilbud fra flere rejsebureauer.

GET THE MOST OUT OF YOUR TRAVEL BUDGET

VR Travel's specialty is business travel. Since 1969, we have advised our customers and arranged their trips to destinations around the world.

With our one-stop-shop concept, you save time and money when booking business travel. You can choose between two solutions: Self Service or a personalised Full Service solution. With Self Service, you book flights, hotels and car rentals, with a travel consultant available to provide assistance if you wish.

Many of our customers choose to combine the two solutions. They book the simple trips on their own, while leaving more complex travel itineraries to us.

We are trained in navigating the market. We know that the ticket may be cheaper to purchase in Canada, even though the trip is from Copenhagen to Singapore. The combination of our know-how and ongoing price checks until departure gives our customers savings of up to 50%.

FÅ DET OPTIMALE UD AF DIT REJSEBUDGET

VR Travels speciale er erhvervsrejser. Siden 1969 har vi rådgivet vores kunder og realiseret deres rejser til destinationer verden rundt.

Med vores one-stop shopping-koncept sparer du tid og penge, når du skal booke forretningsrejser. Du kan vælge mellem to løsninger: Self Service- eller en personlig Full Service-løsning. Når du selvbetjener, håndterer du selv booking af fly, hotel og billeje, med en rejsekonsulent på sidelinjen, hvis du ønsker det.

Mange af vores kunder vælger at kombinere de to løsninger. De simple rejser booker de selv, mens de overlader mere komplekse rejsemål til os.

Vi er trænet i at navigere i markedet. Vi ved, at billetten kan være billigere at købe i Canada, selv om rejsen går fra København til Singapore. Forenet med vores knowhow og pristjek helt frem til afgang, giver det kunderne en besparelse på op til 50 %.

WITH VR TRAVEL BY YOUR SIDE, YOU CAN TRAVEL THE WORLD SAFELY

The world is constantly changing, and recent years have presented numerous challenges to travelers all over the world. It is more important than ever to have a travel partner who can assist if the flight does not depart on time. We have many years of experience at VR Travel, and we will assist you all the way to your destination - even if your flight is delayed or cancelled.

In extreme emergency situations

In an emergency, locate and evacuate employees. Your company bears a significant amount of responsibility for ensuring that employees are safe and travel safely. If employees book their trips through multiple channels, it will be impossible to locate and return them safely in the event of terrorism or other emergencies.

With the help of VR Travel, it is possible to immediately GEO-locate employees and properly inform them before the disaster worsens. With GEO localization, the employee can be escorted out of the danger zone as soon as possible with the next available flight and be properly informed.

REJS TRYGT UD I VERDEN MED VR TRAVEL I RYGGEN

Verden er under konstant forandring, og de senere år har budt på mange udfordringer for rejsende i hele verden. Mere end nogensinde før, er det vigtigt at have en rejsepartner, som kan hjælpe, hvis flyet ikke afgår som planlagt. Hos VR Travel har vi mange års erfaring, og vi hjælper dig hele vejen til din destination – også hvis flyet er forsinket eller aflyst.

I yderste nødstilfælde

Find og evakuér medarbejdere i nødstilfælde. Din virksomhed har et stort ansvar for, at medarbejderne er trygge og rejser sikkert. Bestiller medarbejdere i en virksomhed deres rejser gennem flere forskellige kanaler, vil det i tilfælde af terror og andre nødstilfælde være umuligt at lokalisere dem og få dem hjem i sikkerhed.

I et samarbejde med VR Travel er det muligt straks at GEO-lokalisere medarbejderne og informere dem korrekt, inden katastrofen forværes. Med GEO-lokaliseringen kan medarbejderen hjælpes hurtigst muligt ud ad farezonen med næste ledige fly og informeres korrekt.

When you fly with us across the Atlantic, you're flying with people who really know the region and route. No matter whether you're going to see the Big Apple or want to explore business opportunities, we'll get you there.

We fly to over 40 destinations in Europe, Greenland and North America, offer comfortable flying times, quality service, lounge access, frequent flyer benefits and much more.

HONEST ADVICE AND SERVICE

At VR Travel, we build long-lasting customer relations. Our customers attribute this to our high level of service, know-how and competitive prices. Choosing Self Service gives you access to our user-friendly system. You will enjoy a unique market overview with all airline companies on the same page, and you can always request a price check by a professional travel consultant.

Choosing Full Service will give you time to concentrate on other important business tasks. You receive personalised assistance from VR Travel consultants, who will book flights, hotels and car rentals at the best available price according to your desired travel time and comfort.

No hidden fees

We take pride in our transparent fee. We make our living as a business based on this fee. On your invoice, you will be able to see what we charge for providing advice and ensuring that you get the market's best prices.

Honesty is the best policy

Did you know that we sometimes say that it's cheaper to book directly from one of the airline companies? Our paramount task is understanding your needs and choosing the best solution in close cooperation with you

Year-round 24/7 customer service

Did you know that VR Travel offers year-round 24/7 customer service in Swedish and English?

ÆRLIG RÅDGIVNING OG SERVICE

I VR Travel har vi langvarige kunderelationer. Vores kunder siger, det skyldes vores høje serviceniveau, knowhow og konkurrencedygtige priser. Vælger du Self Service, får du et brugervenligt system. Det giver et unikt markedsoverblik ved at vise samtlige luftselskaber på én side, og du har hele tiden mulighed for at tilvælge et pristjek fra en professionel rejsekonsulent.

Vælger du Full Service, får du tid til at løse andre vigtige opgaver i virksomheden. Du får personlig rådgivning hos VR Travel, der booker fly, hotel og bil-
leje til den bedst opnåelige pris målt i forhold til ønsket rejsetid og komfort.

Ingen skjulte gebyrer

Vi står ved vores honorar. Det er honoraret, vi lever af. På din faktura kan du se, hvor meget vi tager for at rådgive og sikre dig markedets bedste priser.

Med ærlighed kommer du længst

Vidste du, at vi nogle gange siger, det er billigere at booke direkte hos et af flyselskaberne? Vores fornemste opgave er nemlig at kende dit behov og vælge den rigtige løsning i samarbejde med dig.
